# PETITION FOR REVIVAL OF AN APPLICATION ABANDONED UNINTENTIONALLY UNDER 37CFR 1.137(b)

Sir:

<sup>1</sup> Please find enclosed a PETITION FOR REVIVAL of the above referenced National Stage filing.

Applicant originally filed a Transmittal form PTO-1390 on December 18, 2003 in the present application, as well as a Transmittal form PTO-1390 in a companion case, PCT/NO02/00237, on the same date.

Because of lack of funds in the undersigned's deposit account, the basic National Fee was not charged in companion case PCT/NO02/00237 (US application serial number 10/495, 769), and the case was abandoned. In the companion case, the application filed a petition to withdraw the holding of abandonment, arguing that funds were in fact available on the date of filing the Transmittal form PTO-1390, but that funds were, due to a delay in replenishing the deposit account, not available for a one week period of time, approximately one year later, and that it was coincidentally during this brief period that the USPTO attempted to charge the fees. Applicant believed that abandonment was not appropriate since the delay in charging the

deposit account was partly responsible for the abandonment, in as much as funds were available at all times except for this one brief period of time.

This petition was subsequently DENIED, and applicant has filed a PETITION in the companion case for revival for unintentional abandonment.

Upon review of the current application, it is believed that the same error with the deposit account has resulted in the abandonment of the current application, although applicant has never received a notice of abandonment in the present case. The case, however, does not appear in the PAIR database, and the National Fee for the present case has likewise never been deducted from the deposit account.

Applicant is therefore filing the current PETITION. Enclosed herewith is a PETITION form PTO/SB/64, as well as the following documents:

- Transmittal form PTO-1390 originally filed on December 18, 2003, together with date-stamped receipt from OIPE
- Declaration and Power of attorney originally filed on 17 February, 2004, together with Certificate of Facsimile transmission, statement under 37 CFR 1.8, and receipt from the fax machine from which the documents were transmitted
- IDS originally filed on 17 March 2004
- Second IDS originally filed on 25 August 2004
- Copy of a REQUEST FOR STATUS REPORT filed 1 April 2004 -

Also enclosed, to the extent such is deemed necessary, is a NEW Transmittal form PTO-1390 reflecting the new National Filing Fees.

Please charge the appropriate PETITION FEE, the appropriate National Filing Fee, and any and all necessary fees during the pendancy of this application to deposit account 501898.

Respectfully submitted,

## RENEWED PETITION FOR REVIVAL OF AN APPLICATION ABANDONED UNINTENTIONALLY UNDER 37CFR 1.137(b)

This is a renewal of the petition filed 23 May 2005, no response to which has been receiv from the PTO. A copy of the previous petition and accompanying documents are enclosed herewith. As stated therein:

- Transmittal form PTO-1390 was filed on 18 December 2003. A copy of the date stamped filing receipt is enclosed in the documents accompanying the original petition.
- The National fee has never been deducted from the undersigned's deposit account, and the application has never been registered in the PAIR database. No US application number has ever been received.
- 3. The applicant filed a request for status on 1 April 2004 that was never responded to by the Office.

- 4. Declarations and an Information Disclosure statement have also been filed in this application, but no confirmation has ever been received that these documents have been received by the PTO.
- 5. While it is not certain, it is believed that the following error has occurred in this case. This assumption is based upon the following events that occurred in the applicant's companion case (PCT/NO02/00237, US ser. No. 10/495,769) filed on the same date:
  - a. Transmittal form PTO-1390 was filed on 18 December 2003. The National fee was authorized to be charged to the undersigned's deposit account. On that date, there were sufficient funds to cover the fee.
  - b. For unknown reasons, there was a delay in the processing of the application at the USPTO. The USPTO did not attempt to charge the deposit account until approximately one year after the filing of PTO-1390.
  - c. The deposit account had always contained sufficient funds to cover the National fee, except for a one week period approximately one year after the original filing, the deficiency being caused by a wire transfer delay. It was, in an unfortunate coincidence, precisely during this one week period that the USPTO eventually attempted to charge the deposit account.
  - d. The companion case was therefore abandoned for failure to pay the National Fee, but subsequently revived on a petition under 37 CFR 1.137(b).
- 6. It is believed that a similar error has occurred in the present case, although no Notice of Abandonment has ever been received.
- 7. The applicant therefore renews this PETITION for revival for unintentional abandonment, and requests that a US application number be assigned.

Please charge the PETITION FEE, the NATIONAL FEE, any and all necessary fees during the pendancy of this application to deposit account 501898.

Respectfully Submitted,
